

## Drain body The Universal DN 100, Black grating, Backwater prot

### Article information

Item no.: 27611  
GTIN: 4026092007822  
Price group: 10

### Advantages

- Flexible installation: vertically adjustable upper section rotatable
- Integrated backwater protection
- vertically adjustable

### Description

The polymer drain body is equipped with a removable backwater valve with two backwater flaps, one hand-lockable emergency closure and a sludge bucket. The drain body also has two inlets DN 50 and one inlet DN 70 with blind plug. Material:

PP

#### Variant

|                             |                              |
|-----------------------------|------------------------------|
| Contents of sludge trap:    | yes                          |
| Emergency closure:          | yes                          |
| Waterproof flange:          | Pre-assembled at the factory |
| Mechanical backwater flaps: | 2                            |

#### General characteristics

|                         |                         |
|-------------------------|-------------------------|
| Colour:                 | black                   |
| Standard:               | EN 1253                 |
| Nominal size (DN):      | 100                     |
| Outer diameter (OD):    | 110 mm                  |
| Type of wastewater:     | without sewage          |
| Installation situation: | floor slab installation |
| Delivery state:         | installation-ready      |
| Backwater protection:   | Type 5                  |

#### Dimensions

|                           |                                     |
|---------------------------|-------------------------------------|
| Net weight:               | 2,69 kg                             |
| Gross weight:             | 3,02 kg                             |
| Cutout dimension, width:  | 320 mm                              |
| Cutout dimension, length: | 400 mm                              |
| Installation depth:       | 216 - 276 mm                        |
| Vertical adjustment:      | vertically adjustable upper section |

|                          |                 |
|--------------------------|-----------------|
| Length:                  | 380 mm          |
